We look forward to seeing you there and meeting you in person!

### The New Marketplace is Live!

## Community helps community

Our Community is the heartbeat of the Mundum universe, and we firmly believe that we are stronger together. Therefore, in our upcoming workshops and seminars, we will be appointing new **Community Team Leaders** who will support you with their knowledge and experience.

These leaders will play a crucial role in fostering the community and advancing the Mundum universe. Let's work together to bring Mundum to the next level!
