

The past weeks have been characterized by intense work and exciting developments in our project. We would like to give you an insight into what lies ahead in the near future.

At the end of this month, important events are coming up, for which we should prepare together. Our CTO, Michael, will embark on a special mission to carry our Magic Tokens into new realms. This is not just about a new path, but about an expansion of our vision.

We are not only unveiling a new charity project, but also opening access to our exclusive Inner Circle Membership. May will be a month full of surprises and opportunities for all of you.

We are introducing a new feature

The second chat in the WhatsApp group, which is exclusively for announcements.

This will keep the exchange clear and focused.

The first major advertising campaign is coming up, through which we aim to make our project known to a larger audience. Keep an eye out on the streets of Cologne, Berlin, and Frankfurt – we will be there to inform you about updates.

We also encourage you to keep your digital assets safe in your wallets. If you don't have one yet, we recommend getting MetaMask from the App Store or Android Store. It offers security and easy handling, which you will soon need urgently. Alternatively, you can also use our Mondogate Wallet, a custodial solution regulated by BaFin. Everyone is free to choose their preferred system.

We also expect an increase in the value of our Mundum Token to 2.40 Fr. in the autumn, which is an exciting development for our crypto assets.

On May 25th, we will provide detailed information at the Inner Circle Event and also broadcast live on TV and YouTube channels. We stick to our principle:  
we start small and grow steadily and healthily.

A big thank you to everyone who has supported us,  
together we have achieved a lot. Let's continue to work together and reach new heights.

Guido Wirtz will participate in the upcoming 24-hour race at  
the Nürburgring, supported by his family and community  
members.

We look forward to the coming weeks and to starting  
a new era together with you. Stay updated on our  
website [Mundum-world.com](http://Mundum-world.com) and don't hesitate to  
contact us with any questions.

We are a community that believes strongly in the positive  
appeal of our choices, activities and encounters.
